GRANT	DEPT	COUNCIL DATE APPROVED	TYPE OF GRANT	GRANT AMOUNT	GRANT BACKGROUND	CITY MATCH	PURPOSE OF GRANT
Edward Byrne Memorial Justice Assistance Grant (JAG) 2015	PD	10/20/2015	<i>Federal</i>	\$14,906.00	The JAG Program is the primary provider of Federal criminal justice funding to state and local jurisdictions. JAG-funded projects may address crime through the provision of services directly to individuals and/or communities, and by improving the effectiveness and efficiency of criminal justice systems, processes, and procedures.		This grant will help to install audio/video projection, display, and communication equipment to allow the Department to utilize the capabilities of PowerPoint, videos, digital photography, audio messaging, databases, the Internet, and video conferencing when making presentations to the community.
State Citizen's Option for Public Safety (COPS)	PD	10/20/2015	<i>State</i>	\$188,568.73	COPS Program provides funding to local law enforcement agencies, based on population, for the purpose of ensuring public safety.		Grant money will be used to help fund two Community Resource Officer positions in the Community Outreach and Personnel Services Bureau.
Justice and Mental Health Collaboration Program Grant	PD	10/20/2015	<i>Federal</i>	\$154,464.00	Burbank Mental Health Evaluation Team (BMHET) was implemented in April 2012 as a collaboration between Burbank Police and Los Angeles County Department of Mental Health. In 2014, an evaluation was done to examine BMHET goals identified the following: need for standardized and regular follow-up services; targeted case management; improving communication and information sharing with all officers; and, increasing outreach.	20% Match from the City - \$38,616	To support and enhance the BMHET goals, the grant will support one full-time civilian position. That staff member will assist in creating and maintaining a database of individuals who have interacted with a mental health team or may have underlying mental health issues which result in a call for service. The availability of data for officers responding to mental health-related calls for service is instrumental in continuity of care.
Library Services and Technology Act (LSTA) "Pitch an Idea Grant"	LB	11/16/2015	<i>State</i>	\$16,000.00	Startup costs for a new project called "Burbank in Focus" to collect, scan, research and make photos of historical significance to Burbank available through the Library's website for people to enjoy Burbank's history.		The grant award will fund a new scanner, the building of a digital asset management system and other supplies related to the scanning, handling and digital preservation of the photo collection.
